

# RZ-100

The smart lock that simplifies home access

> ENTRA VA

## Secure Mobile Access For You & Your Guests

Simplify your busy life with digital keys securely stored on and shared from your phone.

### Easy setup

1. Install EZ-100 lock
2. Get the Entrava App
3. Pair App with Lock
4. Your phone is your new key!

### Touch to open

The EZ-100 verifies your digital key as you approach, just press the enter button to unlock your door.

### Auto-lock

The EZ-100 auto-locks behind you. Never worry if you forgot to lock your door again.

## Digital Key Options Via App

	Great For	Key Lifetime
House Key	Family / Residents	Does not expire
Guest Key	Short-term rentals Visiting friends & family	Expires between 1 hour - 1 month
One Time Code	Deliveries Cleaning / maintenance	Deleted after use

### House Keys Manage Access

Only House Keys can change lock settings, create and delete keys and review lock access history.
